**ROCKY FLATS CLEANUP AGREEMENT (RFCA) STANDARD OPERATING PROTOCOL (RSOP) FOR FACILITY DISPOSITION - NOTIFICATION LETTER FOR BUILDING 867 FEG-024-03**

The Facility Disposition RSOP requires that DOE notify the Lead Regulatory Agency (LRA) prior to implementing work activities pursuant to this document. The Rocky Flats Environmental Technology Site (RFETS) received concurrence from the Colorado Department of Health and Environment (CDPHE) that Building 867 was a Type 2 facility (October 17, 2001).

The purpose of this Notification is to invoke this RSOP for demolition of the facility, based on the attached Contact Records between Kaiser-Hill, DOE-RFFO, and CDPHE. Documentation of the facility status is in the Pre-Demolition Survey Report (PDSR) submitted on August 18, 2003.

The LRA has concurred to facility disposition, as documented in attached Contact Records.

If you have any questions or require additional information, please contact Steve Nesta x6386.
